Future Strategies

Pursue growth with acquisitions and/or strategic alliance

Explore opportunities for mergers and acquisitions and/or strategic alliances with other media or e-commerce players

Expand product lines and client base and explore opportunities in specific industry verticals

Further expand product lines to cater for diversified needs of different advertisers, such as online finance and banking areas

Enhance data collection and analytical capabilities through the development of e-commerce solution platform

Enhance capabilities in collecting, storing and analyzing data and to increase the varieties and dimensions of the data we can collect

Unleash potential by enhancing productivity

Upgrade content monitoring system by developing and implementing a media content management system

Continual investment in technological infrastructure and recruitment of talent

Strengthen technological infrastructure through applying AI and machine learning models in the back-end operations of the platforms
